

LEADERS LEAGUE
ALLIANCE SUMMIT
LAW & INNOVATION

JULY 6TH, 2023

INTERCONTINENTAL PARIS LE GRAND

It was our pleasure to welcome you to the inaugural edition of the Leaders League Alliance Summit: Law & Innovation, the result of the unification of two of Leaders League's biggest international events, the International Legal Alliance Summit & Awards and the Innovation & IP Forum and Awards.

This edition brought together the best of the Corporate and Legal Markets and the best of the IP and Innovation world, for a unique day of sharing knowledge, building alliances and celebrating legal excellency. Over 120 international speakers debated across the four Villages about the latest topics in M&A, Corporate, Dispute Resolution, IP, Leadership, and so on. We would like to specially thank all of them for sharing their expertise. This year's edition celebrated excellence around the world through our Awards Ceremonies, which featured 45 categories recognizing the best Law Firms, Legal Departments and IP Advisors. We congratulate all the nominees and thank our 110 jury members for their participation.

At this year's LegalTech Show, the leaders of the digital legal world got to present innovative solutions and the latest technological advances for the legal profession.

We would also like to thank all our sponsors and partners without whom this special edition could not have taken place.

We hope you had a great event!
